

FORTIFICATIONS WERE CAPTURED

San Ildefonso Taken by the Americans.

FILIPINOS ARRANGING FOR ANOTHER PARLEY.

Gen. Pilar, Commanding Rebel Forces, Sends Envoys With Letter, Requesting Permission For a Military Commission to Be Appointed By Aguinaldo, to Confer With Philippine Commission—Believed a Scheme to Gain Time—No Truce Granted and Fighting Will Go on As Usual—Aguinaldo Issues Orders.

Manila, May 13.—[Special].—The report of the casualties in the attack made this morning on the rebel fortifications at San Ildefonso, which were captured, shows only one American wounded. The Filipinos are arranging for another parley with the Americans. General Pilar, commanding the Filipino forces on Lawton's front, sent envoys with a letter to Lawton today, requesting permission for a military commission to be appointed by Aguinaldo, to pass through the lines for the purpose of conferring with the Philippine commission appointed by President McKinley.

Lawton referred request to Gen. Otis, who replied that he had no objection to a parley. Otis believes the sending of a military commission is only a scheme to gain time.

No truce was granted and the fighting will go on as usual.

Advices from the Cavite province, where the rebels are gathered in considerable force, report that the insurgent commander would surrender is promised a pardon for himself and men.

Private Coates, of the First California, who was taken prisoner by the insurgents in Cavite province, is alive and well. It was feared the Filipinos had killed him.

Aguinaldo has issued orders that all foreigners must leave the insurgent territory within forty-eight hours.

It is believed by refusing them rights of non-combatants, he can force their governor to recognize his government's belligerency.

Manila, May 13.—Admiral George Dewey will leave Manila next week. The day of his departure has not been decided upon. He will come to America in the flagship Olympia. Leaving Manila bay, the admiral will proceed direct to Hongkong; there the Olympia will be docked, its bottom cleaned and repainted, and some few necessary repairs made. These finished, the boat will start for America by the Suez canal.

It is expected that the admiral and his flagship will receive many ovations en route.

Capt. A. S. Barker, who is now in command of the Oregon, will succeed to the command of the fleet temporarily. He will use the Baltimore as his flagship.

When Dewey leaves Manila harbor he will be given a grand farewell demonstration.

Messages brought by carrier pigeon tell of the capture of the village of San Ildefonso by two companies from the Minnesota and Oregon volunteers. The rebels retreated without making any resistance.

The military situation is quiet. Both Gen. MacArthur and Gen. Lawton are resting, while their commands are being strengthened for the movement on San Isidro. It is considered that strong insurgent forces confront both Lawton and MacArthur. It is estimated that fully 9,000 Filipinos are all ready to oppose MacArthur's advance, while nearly that number are getting ready to oppose Lawton. It is believed that the insurgent forces have planned to harass MacArthur's command on the left as it makes its advance.

LAWTON WINS A VICTORY.

Filipino Forces Driven from Intrenchments at San Ildefonso.

Manila, May 13.—The Filipino forces, which were intrenched behind strong fortifications at San Ildefonso, north of Baling, have been driven from their position by Lawton. One American was wounded in the engagement.

Gen. Lawton's victory is of great importance, for it will doubtless do much toward convincing the Filipinos of the hopelessness of their course. The insurgent position was the strongest encountered by Gen. Lawton in his advances, and was developed on Monday by a reconnoitering party consisting of companies of the Thirtieth Minnesota and Second Oregon regiments. Heavy earthworks extended for a mile from a swamp on the left along a high ridge in front of the town, to the right, with flanking trenches, commanding a vast open country given up to rice fields. The enemy, on the approach of our small force, opened a terrible fusillade, and the troops withdrew. Major Digges of the Minnesota regiment was shot through the head. The correspondent of the New York Herald reported that if the enemy succeeded in

holding this position a great battle would ensue.

Dewey's Health Not Good.

Chicago, May 13.—A cablegram received in this city yesterday from Admiral Dewey gives ground for the belief that the health of the admiral is not so robust as the reports of surgeons and others recently returned from the Philippines have led the country to believe. The cablegram was received by J. M. Glenn, secretary of the Illinois Manufacturers' association, and was in reply to an invitation to Admiral Dewey to accept the association's hospitality on his return to the United States. Following is the admiral's message:

"Manila, May 12.—Illinois Manufacturers' Association, Chicago: Many thanks. Impossible to accept invitation now. Condition of health necessitates rest and quiet. DEWEY."

It is believed that the banquet planned by New York business men to be given on the admiral's arrival will have to be abandoned for the same cause.

Troops Sent to the Front.

Manila, May 13.—Fresh troops are beginning to go to the front. Two battalions of the Seventeenth Infantry (regulars), that have been holding the lines about the city of Manila, will join Maj.-Gen. MacArthur's division at San Fernando tomorrow, and one battalion of the same regiment will reinforce Maj.-Gen. Lawton's division near Bacolor. These troops will be replaced here by the Twenty-first infantry regiment.

BURGLARS GET \$3,800 IN IOWA.

Blow Open a Safe with Dynamite and Escape in a Stolen Rig.

Fort Dodge, Iowa, May 13.—At 2:30 o'clock Friday morning two burglars robbed the Ellsworth state bank of Ellsworth, in Hamilton county, of \$3,800. The burglars secured entrance to the bank by a key and without attracting any attention they blew open the safe with dynamite and left town with a buggy and team stolen from a near-by livery. They proceeded west about two miles and left the team at a school house near Jewell Junction. It was 7 o'clock in the morning before the fact of the burglary was discovered, and the sheriff of Hamilton county, W. A. Hastly, quickly gathered a posse and started in pursuit. They are on the trail of the robbers and expect to capture them.

The president of the bank, M. N. Brinton, has offered \$1,000 reward for the capture and conviction of the robbers.

Soft Coal Operators Meet.

Chicago, May 13.—Operators of soft coal mines in Illinois and Indiana met in secret session yesterday at the Great Northern hotel to discuss the present labor troubles. S. M. Dazell of Springfield, Ill., presided over the meeting and stated the general position of the operators in the matter. He said that the miners were now trying to alter a wage scale which they had themselves fixed. The term of the contract including this scale has yet some time to run and the operators insist that it shall not be altered until its termination. The question of increasing the fund in the treasury of the organization for fighting labor troubles with the miners was discussed. The amount now in the treasury is over \$500,000, but the operators feel inclined to increase this sum to \$1,000,000. The matter was not definitely settled.

Fond du Lac, Wis., May 13.—District Attorney Reilly will file reasons for not filing information against Thomas Dixon and James T. Kingston and ask that a nolle be entered. Dixon and Kingston were arrested last November on a charge of murdering Officer Prinslow, and at the preliminary hearing they were held for trial. The district attorney says the state's evidence is too weak and their alibi is too strong to admit of conviction. The men would be held for the October term, but they are English subjects, and the British consul, Arthur Getty of Chicago, has taken up the case with Governor Scofield, who in turn has communicated with the district attorney, and as the result there will be no further delay.

SCORE AND TEN LIVES ARE LOST

Wreck on Philadelphia & Reading Ry.

DAYLIGHT REVEALED THE HORRORS OF LAST NIGHT.

Number of Injured Will Reach Fifty—

Twenty of the Corpses Identified and Taken to Reading, Pa.—Big Pile of Wreckage, Splintered Timbers, Twisted Iron Rods, Broken Car Wheels and Axles Tells of the Terrible Impact of the Trains—Beneath the Ruins Are More Mangled Forms.

Reading, Pa., May 13.—[Special].—Daylight has revealed the awful horrors of last night's collision of two passenger trains at Exeter.

A big pile of wreckage, splintered timbers, twisted iron rods, broken car wheels and axles, tells of the terrific impact of the trains.

From the ruins have been taken twenty-three bodies, and beneath the wreckage are still many more mangled forms. The list of dead will reach full thirty, and the injured will probably be fifty.

Twenty of the corpses have been identified by heart stricken relatives, and brought to this city.

The dead bodies identified are: John Singluff, George Andrews, Henry Wontz, Hecker, William Lewis, Harry Thompson, Frank Sowers, Samuel Betty, Harry Hunsberger, Hiram Shell, Emerson, William Stohler, Col. George Schall, Captain Charles Leaf, John Johnson, Capt. S. T. Street, Annie McGraw, are known dead.

The blame for the horrible disaster has not as yet been determined. Harry Neat, one of the injured, died a few hours later.

Moons Were Heartrending.

Philadelphia, May 13.—[Special].—What remained of the ill-fated special train which was wrecked near Reading last night arrived here this morning.

The trip from Exeter to Norristown, where the wounded was taken off, was one of horror.

The dead and dying filled the coaches and all were more or less blood stained and the moans of the wounded as the train rolled along were heartrending.

The bodies of twenty-three victims are now lying in various morgues here.

Reading, Pa., May 13.—A collision of passenger trains occurred on the Philadelphia & Reading railroad at Exeter station, about six miles south of this city, Friday night, and a great number of people were killed and injured. There is no telegraph office at Exeter station, and details therefore are difficult to obtain. The number killed is variously stated to be from thirty to forty. Fully fifty others are injured.

The regular express train from Pottsville for Philadelphia connected at the station in Reading with a train from Harrisburg which was crowded with excursionists who had been to the state capital to witness the ceremonies in connection with the unveiling of the Hartshorn monument. Many of the Harrisburg passengers at Reading went aboard the Philadelphia express, but it being found all could not be accommodated, it was decided to send an extra train to Philadelphia to run as the second section of the express. The extra train left twenty minutes later than the express.

At Exeter station the express stopped for orders, and while standing there the extra train, moving at great speed, crashed into it. Three of the rear cars of the express were telescoped and the first car of the extra train was also wrecked. The passengers in these cars were terribly mangled, many being killed outright, while others had limbs and bodies maimed. Word was at once sent to Reading, and a special train with physicians and nurses was sent to the scene as quickly as it could possibly be put in readiness.

The second relief train left Exeter at 2:50 a. m. It brought to Reading twenty additional bodies. The names are not yet known. Most of the seriously injured were brought here on the first relief train. The rest of the injured were taken to Pottstown and Norristown.

The north-bound track has been cleared and the first train through to Philadelphia was the Buffalo express, which left Philadelphia at 11:35 p. m.

According to the account of the passengers the engine of the second train plowed through the rear car of the first train, then through the parlor car and half way through the third car. The first car on the second train was also telescoped.

GOOD ATTRACTION TUESDAY

William Owen, the Young Romantic Actor at Myers Grand.

William Owen, the young Romantic actor to appear at the Myers Grand Tuesday, May 13.

No young actor has won as much praise, or met with more well deserved success than has Mr. William Owen who will shortly appear in this city in a dramatization of Dumas' famous romance "The Three Guardsmen." As always, Mr. Owen is surrounded with a powerful company headed by Mr. J. W. McConnell and Miss Camilla Reynolds. "The Three Guardsmen" requires a strong as well as large cast and the people have been especially selected to play the parts assigned them. Mr. William Owen will be seen as D'Artagnan which is one of his very best characters and one that is suited to him perfectly. The hero of the play is a young country-bred Frenchman who goes to Paris and the story deals with his adventure there. He is brave, handsome and reckless with a great love for fun and fight. The play is given a full scenic production, special stuff being carried for all of the important acts. The costumes are beautiful and historically correct. The engagement of the Owen company is for one night only and the prices will be 75, 50, and 25 cents.

The seat sale opens on Monday, May 10, and judging from the amount of talk already going the rounds regarding the company there will be a well filled house.

J. M. THAYER GIVEN CORDIAL RECEPTION

RETURNED LAST EVENING
FROM GRAND LODGE.

Met at the Depot By Brother Members of Olive Branch, Accompanied By Imperial Band—Woman's Relief Corps Celebrate Fourteenth Anniversary—Mrs. Grinnell Speaks.

That J. M. Thayer is held in high esteem by his brother members of the Ancient Order United Workmen, was greatly in evidence last evening in the reception accorded him upon his arrival in the city from Milwaukee, where he had been honored for a third time by being re-elected Grand Master Workman, a position of honor of which his fellow citizens feel justly proud, regardless of lodge affiliation.

Many of the members of Olive Branch Lodge No. 36, A. O. U. W. met at their lodge rooms at 7 o'clock last evening. Headed by the Imperial band they formed in line and proceeded to the Chicago, Milwaukee & St. Paul depot. Mr. Thayer arrived at 7:40 o'clock and was escorted to a carriage in waiting for him and conveyed to the lodge room, where a short session was held and adjournment taken until next Monday evening.

The members then proceeded to Concordia hall, where the Degree of Honor had already assembled. A brief musical program was given, in charge of Milo Thayer.

The program was opened with a selection by the orchestra from the State School for the Blind. The members of the orchestra responded to a hearty encore.

Edna Nichols rendered a piano solo that was well received.

Charles H. Patterson sang two of his own compositions, both words and music. His first rendition was "When Schneider's Goat Was Out," and in response to an encore sang "Flannigan's Birthday Ball." Mrs. Milo Thayer presided at the piano.

Miss Bessie Slater recited "The Workman's Goat," in a manner that brought forth many a hearty laugh.

J. J. Cunningham was then introduced, and said the Workmen and the Degree of Honor have set apart a special occasion to honor one of their members, who in turn had been greatly honored and won distinction. He then introduced Grand Master Workman Thayer.

Mr. Thayer said he thought it was out of place for him to attempt to undertake a speech and felt more disposed to excuse himself as he was almost worn out and had eaten nothing since noon. He said that some might think the honors he had received would take the place of food for several weeks, but not so with him. The gentleman spoke at considerable length upon the honors that had been conferred upon him and spoke in a manner pleasing and void of egotism, a characteristic of the gentleman.

He also spoke of the lodge and the benefits of fraternal organizations.

After the conclusion of Mr. Thayer's remarks, the floor was cleared and until 1 o'clock this morning, dancing was the order, the music being furnished by an orchestra of four pieces from the State School for the Blind.

The ladies of Laurel Lodge No. 2, Degree of Honor, served ice cream and cake.

Fourteenth Anniversary

W. H. Sargent Women's Relief Corps No. 21 celebrated their fourteenth anniversary last evening with an entertainment. W. H. Sargent Post No. 20, Grand Army of the Republic, joined in giving the same at East Side. Odd Fellows' hall. The program was very interesting.

Commander S. C. Burnham of the post, presided and welcomed those present. He said the burden of the entertainment had fallen largely on the Woman's Relief Corps, an organization too well known to need any words of praise.

Mr. Burnham said he had another duty to perform. A young artist in this city found it in his heart to make a present to the W. R. C., so he had completed a very fine picture for them. In behalf of O. H. Mead, Mr. Burnham presented the W. R. C. with a crayon portrait of E. O. Kimberley.

Dr. J. B. Whiting was called upon to accept the picture for the Corps and did so in his usual happy frame of mind. Dr. Whiting said he felt highly complimented by being chosen to represent the ladies and did not deserve it, but he should take on airs for a week to come.

Mr. E. O. Kimberley then sang "Because" in his usual pleasing manner, Miss Leona B. Stevens playing his accompaniment.

Joseph Burns recited "Lincoln's Address at the Dedication of Gettysburg," after which the male quartette, consisting of E. O. Kimberley, Wm. Garbutt, D. D. Bennett and Archie Crawford sang "Land of Freedom."

Mrs. Myra, of Beloit, was then introduced. She is a very pleasant and convincing speaker. She addressed the

and it's bound to overflow and make trouble. Clog up the blood—the kidneys—the liver, the nerves—every organ in the body will suffer—it's only natural. If you want to be well—try purifying the blood, and you'll find your long named diseases departing. For a blood-purifier and stomach tonic, there's nothing to equal—

ladies of the corps as soldiers of the civil war who did not bear arms, as soldiers to whom are committed the consequences of the war in caring for the crippled and helpless veterans and their dependent ones. She spoke at length of the wonderful accomplishments of the Woman's Relief Corps.

The quartette then sang "Nellie Gray," with solo by Archie Crawford, and in response an encore sang, "Welcome, Grand Army Men."

If you insist on having Maple City Self-washing Soap you want the best. If your dealer does not keep it he will get it for you.

"You need a long rest this summer," said the doctor, thoughtfully. "In no circumstances must you attempt to go to any summer resort."

"Laugh Out, Oh, Murmuring Spring."

It is the time to laugh, for it is the year's fresh prime; all nature is purified and ready for a carnival of growth.

Sensible people now do the same that Nature does—aim to be purified, and for the same reasons. They use that marvelous blood purifier, Hood's Sarsaparilla, that never disappoints.

Its work and worth are known world wide as a household medicine.

Hip Disease—Five running sores on my hip caused me to use crutches. Was confined to bed every winter. Hood's Sarsaparilla saved my life, as it cured me perfectly. Am strong and well." ANNE ROBERT, 49 Fourth St., Fall River, Mass.

Dyspepsia—Nothing relieved me of my dyspepsia until I took Hood's Sarsaparilla. It cured me and I can eat three good meals every day. I give it to my children every spring." FRED POEHLER, 437 South Penna Street, Indianapolis, Ind.

Sore Eyes—Humor in the blood made my daughter's eyes sore, so that we feared blindness, until Hood's Sarsaparilla made her entirely well." E. B. GISSON, Horniker, N. H.

Scrofula—My wife was afflicted with scrofula for fifteen years. Scabs formed on sores. Hair was matted. Her skin was rough, itching and burning. Six bottles of Hood's Sarsaparilla worked a complete cure." M. E. STEVENS, Charlotte Center, N. Y.

Run Down—I am a wounded veteran of the civil war. I get all run down by spring time and am unable to work. Hood's Sarsaparilla always cures me. My wife praises it for curing nervousness and rheumatism." J. A. ROBINSON, Colchester, Conn.

Vigor—As a regulator, purifier and invigorator Hood's Sarsaparilla stands at the head. It takes away that "brown taste" and gives youthful vigor." J. D. GATES, 320 State Street, Chicago, Ill.

Asthma—I was troubled with asthma for many years, being worse spring and fall. No medicine availed until I took Hood's Sarsaparilla which completely cured me. Many others heard of my cure and they use Hood's." C. L. KROVES, Etna, Ohio.

STORIES OF THE STREETS.

Janesville People Are Talking About it on Every Corner.

It is sometimes an easy matter to fool the public, but you can't keep it up long. They are sure to find it out, and every time a man is fooled another skeptic is made. Skepticism is allowable when reading in a home newspaper about some incident occurring in San Francisco, Calif., or Maine, but the circumstances are entirely different when it refers to some one right here at home friends and neighbors, people you know, whom you can see and with whom you can talk it over. This is the kind of evidence at the back of Doan's Kidney Pills—home statements by home people—and the astonishing local work they have been doing has caused more talk among our citizens than the doings of any other modern wonder. Read the following.

Mrs. N. J. Casey, of 103 Prairie Ave., says: "Doan's Kidney Pills proved better than any other medicines I took for my kidneys. These organs troubled me off and on for some years. Backache was the chief symptom. It often caused me to suffer severely, and tried a number of remedies but continued to grow worse instead of better. I was finally persuaded to try Doan's Kidney Pills and procured a box at the Peoples' Drug Co's. store. I had only taken them a few days when I felt better. Should there be any recurrence of my trouble I shall use Doan's Kidney Pills in preference to any other medicine. They can be depended upon to relieve suffering from backache or disordered kidneys."

HARVARD THE VICTOR.

That College Wins the Annual Oratorical Contest with Yale.

Boston, May 13.—Harvard, after three years of waiting, regained her supremacy in debate Friday night. It was the annual contest between Yale and Harvard in Sanders theater. Both colleges had defeated Princeton, and so the supremacy was to be decided between them. The subject for discussion was:

"Resolved, That the present method of electing United States senators is preferable to the method of election by popular vote."

Harvard had proposed the resolution and Yale had chosen to support the negative side. The victory was a clear and unquestioned one for Harvard.

The fortunate Harvard speakers were Raynal Cawthorne Boiling, LL. Springfield, Ill.; John Alexander Hull Keith, '99, Walshville, Ill., and Raymond Trasker Parker, LL, Lynn. The men who represented Yale were Edwin Baldwin Boise, Grand Rapids, Mich.; John Kirkland Lark, '99, Springfield, Mass., and Franklin Atkinson Lord, LL, Moorhead, Minn.

Pana Strike Nears an End.

Pana, Ill., May 13.—Secretary W. D. Ryan of the Miners' union, J. T. Mooney, attorney of the State Mine union, and Banker H. N. Schuyler, representing the operators, have been in conference here and it is now assured that the end of the strike is in sight. In an interview last night, Mr. Schuyler said: "The strike is virtually settled, the operators will recognize the union; the scale question, which has been the stumbling block, has been amicably settled. Just what disposition will be made of the men now at work cannot at this time be stated; the married men in the union will be given the preference."

PRAISE FOR MR. WHEELER

The Madison Democrat warmly commends Assemblyman William G. Wheeler's course in relation to the damage suit bill, and says his work should be appreciated, not only in Janesville, but all over the state. The Democrat's editorial is as follows:

"Assemblyman Wheeler is performing a kindness to the whole public by pushing through the legislature a bill which aims to remove in some small measure at least, the almost endless liability for damages which communities are now under for nearly all manner of mishaps on highways. The act has safely run the gauntlet of the lower house, though combatted at every step, and now goes to the senate. Perhaps no city in the state has suffered so much from this damage abuse as Janesville, the home of Mr. Wheeler. Juries down there have a chronic aptitude for mulcting the public treasury, and scarcely any claim is so poor but that it at once gains dignity when it gets into court."

"As every one knows, most accidents on highways and sidewalks are the result of sheer negligence on the part of the persons injured, and there is usually not a shadow of justice in the public being held to accountability for the blundering. Madison, like Janesville, has also suffered from the 'personal injury' industry and every other locality in the commonwealth has been similarly robbed to a greater or less extent. Mr. Wheeler proposes to remove some few of the unreasonable excuses on which damage claims are based. If he succeeds he will have earned his salary many times over and be entitled to a unanimous reelection. There are thousands of taxpayers up this way who would rejoice to swell his majority under such circumstances."

The modern metropolitan newspaper is wont to poke fun at the items printed in the rural sheets, but occasionally the items in the big papers are just as laughable. For instance, the Chicago Times-Herald prefaces nine words of news with twenty-six words of introduction, as follows:

Cruiser Newark at Montevideo. [SPECIAL CABLE TO THE NEW YORK HERALD AND CHICAGO TIMES-HERALD.] Montevideo, Uruguay, via Galveston, May 11.—[Copyright, 1899, by James Gordon Bennett.]—The American cruiser Newark has arrived at this port.

Really, is this not as good a joke as the announcement that "Wm. Jones is painting his barn?"

A Chippewa Falls dispatch says that City Attorney Bove has settled with William Barney the latter's claim against the city. Mr. Barney had begun suit for \$5,000 for injuries received by falling through a defective sidewalk a year ago. Barney agreed to drop the case for \$170. This was agreed to and the case settled. Yet if this case, in which the plaintiff admitted that he was asking twenty-five times too much, had been left to a jury, how much damage would have been awarded?

The Ancient Order of United Workmen has bestowed a handsome compliment upon J. M. Thayer, of this city, by electing him Grand Master Workman for the third time. Mr. Thayer has made a splendid record as the official head of the order in Wisconsin and the compliment is all the more graceful because it is so well deserved.

Milwaukee people are greatly pleased with Governor Scofield's action in appointing J. M. Peres as county judge for Milwaukee county. Mr. Peres was not a candidate for the place, and that he is eminently qualified is admitted on all sides. Hence, his appointment has given universal satisfaction.

Fellow citizens, do unto Dewey as you would have Dewey do unto you. Don't kill him with kindness. Perhaps he would prefer a trout fishing trip to a journey across the country. And if he does, who has a better right to go fishing?

Gov. and Mrs. Scofield will have the sympathy of all in their bereavement. Paul Scofield was a bright and worthy young man and his death, almost at life's threshold, is indeed sad. He had been ill with consumption for two years.

Grand Army Posts all over the country are endorsing the president's Philippine policy. The "old guard" knows what war is, and appreciate the situation.

The Dentifrice

In selecting a Dentifrice, avoid all preparations which are advertised for whitening the teeth, as to do that they must contain an acid, which will in time destroy the enamel. All that any good dentifrice can do is to keep the teeth clean. Liquid preparations are ineffectual, because in order to keep the teeth clean it is necessary to have the friction of a powder. The American Dental Association at its meeting in Boston, condemned the use of mouth washes in any form. The ideal dentifrice should be a powder which is entirely free from acid and sharp, gritty substances, such as charcoal, cuttle bone, pumice stone and silic, all of which are too harsh and cutting to the enamel to be in daily use.

"The Prentice Tooth Powder"

Is prepared from select material and the ingredients are harmless, simple and effective. It is endorsed by the highest dental authorities as the ideal dentifrice.

RECEIVER TOWNE FILES STATEMENT

REPORT ON BANK OF EDGERTON AFFAIRS.

Has So Far Realized \$150,000 For Creditors—\$50,000 More Would Have Been Available Had Depositors Accepted Offer of Stockholders—Case in the Courts.

The report of Receiver Towne of the Bank of Edgerton, which failed Oct. 19, 1897, owing \$335,000 has just been filed, as follows:

DR.	CR.
To receipts from assets schedule A. \$104,786.07	Claims paid Div. No. 1 of 20 per cent. No. 2 of 10 per cent. Expenses received from schedule C. Attys fees, Schedule D. Receiver's fees, schedule E. Cash on hand
\$104,786.07	\$92,780.45
Liabilities on 30 Per Cent Dividend:	
Claims upon which dividends have been declared and not called for.....	\$88,577
Claims objected to upon which dividends are to be paid in accordance with stipulation.....	393.88
50 per cent. on claims filed objected to.....	3,728.24
Balance due A. A. Jackson, atty's fees.....	1,000.00
Balance due clerk of Circuit court.....	108.83
	\$93,608.74

When Receiver Towne took hold of the affairs of the bank less than \$35,000 in cash was available. In the year and a half that has elapsed he has succeeded in swelling this amount to nearly \$105,000. The statutory liability of the stockholders is not taken into account in this statement; which, if it was all collectable, would yield \$50,000 more in assets. A suit is already pending in court to define this liability, relieving the receiver from collecting an amount equal to the face value of the stock held by these individuals, some of whom are ready to pay whenever the amount due is determined by the court.

Many Bad Accounts
Under the head of assets the receiver lists several pages of notes aggregating fully \$150,000, among which he considers but \$14,700 to be good and collectable. More than \$100,000 worth of promises to pay are scheduled that it will be very difficult to realize on. Claims to the amount of \$3,728.24 filed with the court have been objected to, and the court has not passed upon them.

Two dividends have been paid the depositors, one in January, 1898, of 20 per cent. and a second one of 10 per cent. last fall. If the offer of \$50,000 made by the attorney for the stockholders in settlement of all demands against them had been accepted, the bank would have paid out a little over 60 per cent. of its liabilities. But the settlement having been rejected, it is left now for the courts to determine what the future will bring the depositors out of the wreck. The demands of the plaintiff depositors ask for a judgment against the stockholders in full for all shortage. The case is on the calendar for the present term of the circuit court, but a motion to postpone trial has been entered by the defendants.

SEND MANILA PAPER HERE

Interesting Sheet Mailed to Mrs. Corneau of This City.

Mrs. Anna Corneau, of this city, is in receipt of an issue of "The American" a paper published at Manila.

This paper is printed in English and is of April 5.

The news part was devoted almost entirely to war news and on the editorial page a lengthy article advised the insurgents that they were fighting against a hopeless task.

A column article was devoted to the fighting qualities of Tom Sharkey.

Mrs. Corneau has two nephews in the Philippines, members of the North Dakota regiment.

RATHER EXPENSIVE PATIENT

Was the Small Fox Negro Who Spent Fifteen Days Here.

Daniel Webster Graham, the colored man, who was ill with the small pox here, cost the city a neat little sum during his stay.

Aside from the physician's bill the daily expense caring for Graham, will average \$10.

Graham was in the detention hospital fifteen days and Officer Phelps remained there three days longer before he could leave.

Phelps alone has a bill for eighteen days work at \$5 a day.

ZIMMERMAN MAY RACE HERE

Negotiations Are Now Pending in the Hopes of Securing Him.

Secretary Tallman, of the Janesville Cycling club, is now negotiating with the world's famed cyclist Zimmerman, in the hopes of making a match race between him and Walter Sanger, the well-known Milwaukee rider, the race to take place at the coming state cycle meet to be held here in July.

The purse will be a large one, and no doubt such a race would be a big drawing card.

Town of Rock Farmer Paid a Good Sized Fine.

THE BASEBALL REPORT.

Games Played Yesterday in the Three Leading Leagues.

While the Orphans lay idle yesterday the Phillies worked hard, and by appropriating two games from the Giants crowded Chicago from second place. The persistently good showing of the Philadelphia team is beginning to bring it recognition as a real contender for a high place in the league race. St. Louis barely missed a fall. The oft-routed Clevelanders stood firmly before Tebeau's tribe for nine innings, but in the tenth the league leaders showed their superiority and won out. Boston secured another close game from Baltimore, and Brooklyn shut out Washington. New York by its two Philadelphia defeats fell to a tie with Louisville for eighth place. Scores:

At Philadelphia—Philadelphia... 6 0 0 3 1 0 0 1—11
New York... 0 0 0 0 0 0 0 0—0

Second Game—New York... 0 0 2 1 0 0 0 1—4
Philadelphia... 2 0 2 0 0 3 0—7

At Brooklyn—Washington... 0 0 0 0 0 0 0 0—0
Brooklyn... 0 0 1 0 0 1 1—3

At Boston—Boston... 0 1 0 0 2 1 0 3—7
Baltimore... 1 1 0 0 2 0 0 2—6

At Cleveland—Cleveland... 0 0 0 2 0 0 0 2—4
St. Louis... 3 0 0 0 1 0 0 1—5

At Pittsburgh—Pittsburgh... 0 0 0 0 0 0 0 1—1
Cincinnati... 0 2 0 1 1 0 0 1—5

Games to-day: Louisville at Chicago, Cleveland at Pittsburgh, Baltimore at Boston, New York at Philadelphia, Washington at Brooklyn (two games).

HIGH SCHOOL TEAMS

PLAY GOOD BALL

WHITEWATER AND JANESVILLE AT ATHLETIC PARK.

Fair Sized Crowd Witnessed the Event—Whitewater Rooters Were Not Numerous—Adkins and McMasters Played Great Game At Beloit Yesterday Afternoon.

In spite of excellent weather only a fair sized crowd assembled at Athletic park this afternoon to witness the baseball game between the Whitewater and Janesville high school teams.

At 9:30 o'clock this morning the visitors arrived and were at once escorted to the Park Hotel.

As a whole, the Whitewater team was in size about evenly matched with the home team.

At 2:30 o'clock this afternoon the game was called with Palmer & Bonesteel at the battery for the home team and Sweeney and Thompson for the visitors.

The teams lined up as follows:
WHITEWATER. Position. JANESVILLE.
Sweeney..... Bonesteel
Thompson..... Palmer
Parsons..... Not
Whitney..... 1b..... Richards
Cassidy..... 2b..... Wing
Mitchell..... 3b..... Carr
Dixon..... l. f..... Kearney
Robey..... c. f..... Carpenter
Grandall..... r. f.....

The score at the end of the seventh inning was 10 to 9 in favor of Janesville.

Beloit 6, Illinois 0.

Five hundred people assembled at Keep athletic field in Beloit yesterday afternoon and witnessed the Beloit college team enjoy a walkaway with the Illinois university baseball nine.

The score was 6 to 0 in favor of Beloit.

A good sized delegation from Janesville was present and saw the excellent work of the Beloit battery who will soon join the Janesville team.

Adkins played a fine game, holding the visitors down to two singles and striking out the first three who came to the plate, a phenomenal feat. He had besides a putout, five assists to his credit. He was ably backed up by his team, only one error being made, and that excusable. It took but thirty men to do Illinois' batting.

Among those from Janesville who saw the game were:

Messrs. and Mesdames—
W. A. Jackson, F. S. Reynolds,
Messrs.
Frank Blodgett, Charles Blay,
Charles J. Myhr, M. O. Mount,
E. H. Murdock, C. B. Pierce,
Harry Tull, J. F. Sweeney,
T. W. Golden, Walter Johnson,
Bruce Harper.

TO MAKE DEAL NEXT WEEK

Wisconsin Telephone Company Will Probably Sell Them.

The stock of the Wisconsin Telephone company will probably change owners by the middle of next week. A large amount of the stock has been deposited with the Milwaukee Trust company for transfer and as soon as the amount desired by the new syndicate is deposited, the transfers will be made.

Frank G. Bigelow says that the company was capitalized for \$1,200,000, of which \$500,000 was held by the American Bell company and \$700,000 was held by individuals. The Bell company's stock is not for sale and the new company is not after it. It wants a controlling interest in the company and has therefore made an offer for enough of the \$700,000 to give it the control.

TAX ACTS ARE CLEARLY VALID

Supreme Court Has Determined Question Now Raised.

A. L. Sanborn, one of the revisors of the statutes, who was consulted in the drafting of the four Whitehead bills, taxing sleeping car, express, freight line and railway equipment companies, passed at the recent session of the legislature, says that the acts are valid, and will stand any test in the courts. The validity of the acts having been questioned in some quarters on the ground that they exempted the real estate of these companies from local taxation, Mr. Sanborn was asked for an expression of his views on the subject.

KIENOW HOME FROM CUBA

Arrived Last Evening Accompanied by "Doc" Rice of Palmyra.

John Kienow of this city, who has been in Cuba as a member of the Sixth Missouri, arrived home last evening, looking thin but happy.

He was accompanied by "Doc" Rice of Palmyra, who enlisted in the same regiment.

Mr. Kienow says that army life is all right, and that he has no complaint to make.

The food furnished the men in Cuba was plain but wholesome, and there was plenty for all.

Cuba as a country to reside in did not impress the soldiers very favorably, and the greater portion were pleased when they were ordered home.

FIRST GAME NEXT TUESDAY

At 3:45 O'clock the Fan Will Commence at Athletic Park

At Athletic Park next Tuesday afternoon, Janesville's newly organized \$700 base ball team will play their first game of the season.

They will meet in combat an old professional team composed of local players who will have for their battery Larson and Dixon.

Adkins, now of the Beloit college team, will twirl the sphere for the home team.

S. S. S. GOES TO THE BOTTOM.

Promptly Reaches the Seat
of all Blood Diseases and
Cures the Worst Cases.

In every test made S. S. S. easily demonstrates its superiority over other blood remedies. It matters not how obstinate the case, nor what other treatment or remedies have failed, S. S. S. always promptly reaches and cures any disease where the blood is in any way involved. Everyone who has had experience with blood diseases knows that there are no ailments or troubles so obstinate and difficult to cure. Very few remedies claim to cure such real, deep-seated blood diseases as S. S. S. cures, and none can offer such incontrovertible evidence of merit. S. S. S. is not merely a tonic—it is a cure! It goes down to the very seat of all blood diseases, and gets at the foundation of the very worst cases, and routs the poison from the system. It does not, like other remedies, dry up the poison and hide it from view temporarily, only to break forth again more violently than ever; S. S. S. forces out every trace of taint, and rids the system of it forever.

Mrs. T. W. Lee, Montgomery, Ala., writes: "Some years ago I was inoculated with poison by a nurse who infected my babe with blood taint. I was covered with sores and ulcers from head to foot, and in my great extremity I prayed to die. Several prominent physicians treated me, but all to no purpose. The mercury and potash, which they gave me seemed to add fuel to the awful flame which was devouring me. I was advised by friends who had seen wonderful cures made by it, to try Swift's Specific. I improved from the start, as the medicine seemed to go direct to the cause of the trouble and force the poison out. Twenty bottles cured me completely." Swift's Specific—

S. S. S. FOR THE BLOOD

—Is the only remedy that is guaranteed purely vegetable, and contains no mercury, potash, arsenic, or any other mineral or chemical. It never fails to cure Cancer, Eczema, Scrofula, Rheumatism, Contagious Blood Poison, Tetters, Boils, Carbuncles, Sores, etc.

BUSINESS CONTINUES STRONG

Bradstreet's Reports Favorable Trade Conditions—Week's Futures.

New York, May 13.—Bradstreet's says:

"Reports as to trade conditions are generally of a favorable tenor, notable among these being advanced quotations for many grades of iron and steel, increased activity in building lines reflected in heavy sales of lumber at prices tending upward, firmer tone in the cotton goods market sympathized in by the raw product, bank clearings surpassing all records for this week of the year, railroad earnings maintaining recent gains, and business failures, as for some time past, down to the minimum. Offsetting these in some measure might be cited the reasonable quieting down of wholesale distributive demand, particularly for dry goods and clothing, but most notable of all the further weakening of cereal values.

"Wheat (including flour) shipments for the week aggregate 3,234,182 bushels, against 3,484,081 bushels last week. Corn exports for the week aggregate 2,768,094 bushels, against 2,847,290 bushels last week.

"Failures for the week have been 165 in the United States, against 246 last year, and 20 in Canada, against 24 last year."

The Girl of To-day

will be the woman of to-morrow. She does not know it, perhaps her mother does not fully understand it, but between the "to-day" when she is a girl and the "to-morrow" when she will be a woman, her life's happiness and health are in the balance. If she is to be a full-breasted, strong, healthy woman she must develop rightly now. She is at a crisis. She needs more strength, more blood to tide it over. Dr. Williams' Pink Pills for Pale People are the one medicine that will give her the strength and make the new blood.

Our new book, PLAIN TALKS TO WOMEN, explains why these pills are of special benefit to growing girls. A copy will be sent to any address. FREE on request.

Miss Frankie Hathaway, of Sixteenth Street, Holland, Mich., was recently cured of anemia in a remarkable manner. "I am 21 years old," she said, "and when 16 was taken so ill that the family doctor was called to attend me. I was pale and weak and did not gain under his care. Other treatment brought no better result and by the time I was nineteen years old I was so weak that I could not walk across the floor. I was terribly emaciated and my skin had lost all color. The doctor in attendance had pronounced the disease anemia. About this time one of my friends advised me to try Dr. Williams' Pink Pills for Pale People. I bought a box and before I had taken all of the pills I found that they were doing me good. Appetite increased and the healthy color began to show in my cheeks and lips. I continued to use the pills until I had taken fifteen boxes when I found myself permanently cured. Since then I have never had any return of my old trouble and cannot remember when I was so strong and healthy as now. I know that Dr. Williams' Pink Pills for Pale People saved my life, and I believe that no other medicine could have done it. I advise all my friends to try the pills and always find that they are benefited by them." FRANKIE HATHAWAY.

Sold by all druggists or sent, postpaid, by the Dr. Williams Medicine Co., Schenectady, N.Y., on receipt of price, fifty cents per box; six boxes, \$2.50.
